28051/3	Bachelor of Radiography and Medical Imaging	Radiography and Medical Imaging	Clayton	<p>Your answers to the following four questions are important in helping us to understand your motivation and reasons for applying to study radiography and medical imaging. Think carefully about your answers and try to provide honest and complete responses.</p> <p>Your responses will be considered in our selection process for this course.</p> <p>1) What are the reasons for choosing to apply for the Bachelor of Radiography and Medical Imaging at Monash University?</p> <p>2) Radiographers need to interact with patients often at times when they may be stressed, unwell or in pain. They therefore need well developed communication and interpersonal skills. Briefly outline your approach to dealing with people, and what in your opinion are some important elements of good communication. Give examples from your personal experience. (max 200 words)</p> <p>3) Radiographers need to be able to work independently, as well as in cooperative health professional teams. Please provide examples of your experience at working in teams or groups, including any leadership roles. List some factors that can contribute to effective group dynamics within teams. (max 200 words)</p> <p>4) We are interested in any other information which may be relevant to your application (e.g. related work experience, clinical site visits, volunteer work, club membership, personal or family experience within the health care system).</p> <p>Please provide any further information which you would like us to consider in processing your application. If you visited a clinical site, please provide details. (max 200 words)</p>
